NEW DINING SUITS

How Would You Like a New Dining Suit Like the Above?

If some good, kind Samaritan should make you a present of a Dining Suit you would be pleased mightily, wouldn't you? Of course we are not so good as all that, but we have marked the price on this Suit so low that with us it is almost like giving it away. The pieces that compose it are a large Sideboard, 45 inches wide, an Eight-foot Round Dining Table, a China Closet and a Side Table. They are splendid Suits all the way through. Not an imperfect place or weak joint in the construction. The finish is quartered oak and they match beautifully. See our window for the display. The price is \$57.00 for the four pieces complete.

The lecture given in the Universalist church last evening by the Rev. J. Edward Wright of Montpelier on his travels through the west was highly enjoyed by a fair-sized audience. Brown of the scenes described were also very interesting.

TO SHIP THE LUMBER.

West River Line in Vermont Promises to Get Busy.

Brattleboro, March 27.—The statement is made at the headquarters of the Central Vermont railway that shipment of lumber on the West river branch of the company's lines will be begun immediately, and that all lumber will be handled in quick order.

Last week the West river lumbermen held a meeting to consider the traffic situation. It was reported that the entire season's product was piled up beside the tracks waiting to be moved, but that the railroad was making no effort to ship out the cut. It was voted by the lumbermen to refer the matter to the state railroad commission.

Notwithstanding the announcement of the railroad officers the lumbermen will hold another meeting this week to take further action in the matter.

STRANGLED HER DAUGHTER.

Then Mrs. Memphis Tried to Hang Herself.

Akron, O., March 27.—During the absence of other members of her family yesterday, Mrs. James H. Memphis strangled her daughter, Helen, 9 years old, by hanging her with a rope. She then secreted the body in a box. When her husband returned from work this afternoon he found the door locked, and after getting inside found Mrs. Memphis in the act of hanging herself to a bedpost. After he cut her down she declared that she had sent the little girl to heaven, where she thought she also ought to go.

The woman had shown no signs of insanity previously. She had been a prominent worker in the First Congregational church and the family is well known here.

Spring Suits Are Ready!

We are ready for the Spring trade with the finest showing of Suits that we have ever had so early in the season. If we have forecasted the Spring fashions correctly, men are going to be better dressed this Spring than ever before. Patterns run from the sober, plain mixtures, and the modest blues to the smart checks and stripe effects in greys, olives and in the new browns. Coats are cut a trifle shorter—soft wide lapels, plain back or center vent. Trousers are cut easy fitting and shapely. Suits at \$10.00, \$12.00, \$13.50 up to \$20.00 or \$25.00. Taken all in all, we can say that our patrons are lucky men, indeed, when they can secure such excellent clothing to live in during the Spring and Summer months at such moderate prices. We clean, press and repair clothing.
